

**THE INTERNATIONAL CONGRESS “HORIZONS OF BILLIARDS”
HAS BEEN SUMMONED.**

Madrid, 15th May, 2010.

Dear friend,

Welcome to the International Congress “HORIZONS OF BILLIARDS”, from this site we will try to maintain to you informed about the preparation of the congress, its development and the conclusions of the works.

An important appointment in the international calendar of this year without a doubt, we try with this initiative to put in debate matters different that we considered fundamental to consolidate the future of our sport as are the structures and activities to approach youth to the carom billiards, the work systems so that the young players are going to develop to a sport race in the elite and the analysis of our situation before the possible sponsors and collaborators of our activities.

Without a doubt, to confront the experiences in these concrete fields in the different regions from the world will be a useful and enriching experience for all those that from a site or another one we have responsibilities in the promotion of billiards.

Our objective, to reach a decalogue of performances in each one of these matters that serve to us as guide and contributes to unify our efforts and structures in the future.

As coordinating general of the Congress it is a pleasure for me to invite to You to participate in it, Madrid is a beautiful and interesting city, you will find the hotel in the centre of the city with magnificent facilities and a very reasonable price, the transports are prepared and all the members of the organization of the congress pleased by their attendance and they are to its disposition.
